

Manual Corner Desk

Step 1:

We have multiple sizes:

If you got an 180cm outer size take the tabletop with size 100x80cm

If you got an 190cm outer size take the tabletop with size 110x80cm

If you got an outer size take the tabletop with size 120x80cm

Take the tabletop and lay it down on the floor upsidedown horizontal. Place the 2nd tabletop upsidedown vertical against the other tabletop, as shown in the picture below.

Step 2:

Connect the tabletops with the included phillipheads, as shown in the picture below:

Step 3:

Place the tablelegs against the ends of the tabletops. Assemble the tablelegs on the tabletop with the included phillipheads. The tablelegs are pre-drilled.

Step 4;

Turn over the desk, this is a 2 man job! Make sure you divide the weight of the desk.

Enjoy the desk!
